Civil Action No. 8:08-CV-00293

STATE OF NEBRASKA

Plaintiffs,

v.

CITY OF WEST POINT, NEBRASKA, et al.

Defendants.

CONSENT DECREE

Background

WHEREAS, Plaintiff, the United States of America ("United States"), by the authority of the Attorney General of the United States and through its undersigned counsel, acting at the request and on behalf of the Administrator of the United States Environmental Protection Agency ("EPA"), and Plaintiff, the State of Nebraska ("State" or "Nebraska"), by the authority of the Attorney General of Nebraska and through its undersigned counsel, acting at the request and on behalf of the Nebraska Department of Environmental Quality ("NDEQ"), previously filed a Complaint alleging that Defendant, West Point Dairy Products, LLC ("Dairy" or "Defendant"), among others, has violated the Clean Water Act ("CWA" or "the Act"), 33 U.S.C. § 1251 et seq.:

WHEREAS, the Defendant is a limited liability corporation organized and existing under the laws and constitution of the State of Wisconsin.

WHEREAS, the Defendant owns and operates a butter and buttermilk production facility in West Point, Nebraska;

WHEREAS, the Defendant's facility in West Point, Nebraska is "user" or "industrial user," as defined by 40 C.F.R. § 403.3(j) and 33 U.S.C. § 1362(18), of the City of West Point's ("City") Publicly Owned Treatment Works ("POTW"), and discharges non-domestic "pollutants" thereto, as defined at 33 U.S.C. § 1362(6);

WHEREAS, EPA inspected the Defendant's West Point, Nebraska facility on April 10-13, 2006;

WHEREAS, based on the results of that inspection, EPA determined that the Defendant violated the General Pretreatment Regulations found at 40 C.F.R. Part 403, and Sections 301(a) and 307(d) of the Act, by introducing pollutants into the City's POTW resulting in "pass-through" of pollutants or "interference" with the operations of the POTW.

WHEREAS, based on that determination, on December 19, 2006, EPA issued an Administrative Order for Compliance (the "AOC") requiring Defendant to, inter alia, develop and implement a Compliance Plan to ensure that Defendant will no longer cause pass-through and interference at the City's POTW.

WHEREAS, on February 2, 2007, Defendant submitted a proposed Compliance Plan to EPA for approval and EPA approved Defendant's proposed Compliance Plan;

WHEREAS, Defendant has implemented the Compliance Plan, including the submission of bimonthly reports of discharges;

WHEREAS, Defendant has applied for a National Pollutant Discharge Elimination System (NPDES) permit to allow the direct discharge of its wastewater;

WHEREAS, Defendant's NPDES permit has been published for public notice and comment;

WHEREAS, if the NPDES permit is approved following the public comment period, the Defendant expects to begin directly discharging all of its wastewater in September, 2009;

WHEREAS, the State of Nebraska ("State") has joined in this action, in satisfaction of the requirements of Section 309(e) of the Clean Water Act, 33 U.S.C. § 1319(e);

WHEREAS, the Plaintiffs allege that Defendant has violated Sections 301 and 317 of the Clean Water Act, 33 U.S.C. §§ 1311 and 1317, and regulations promulgated under the CWA at 40 C.F.R. Part 403, by introducing pollutants to the City's POTW that have caused "pass through or interference," as defined at 40 C.F.R. § 403...that have contributed to the discharge of pollutants from the POTW in excess of the numeric and narrative effluent limitations set forth in its NPDES permit;

WHEREAS, the Defendant filed an Answer to Amended Complaint and Cross Claim and Jury Demand ("Answer and Crossclaim"), in which it asserted cross-claims for indemnity and breach of contract against the City;

WHEREAS, the Parties agree, and the Court by entering this Consent Decree finds, that settlement of the claims alleged in the Complaint and of the claims alleged in the Answer and Crossclaim without further litigation or trial of any issues, is fair, reasonable, and in the public interest and the entry of the Consent Decree is the most appropriate way of resolving the claims alleged in the Complaint.

NOW THEREFORE, it is hereby ORDERED, ADJUDGED and DECREED as follows:

This Court has jurisdiction over the subject matter of this action and over the parties to this action pursuant to Section 309(b) of the Clean Water Act, 33 U.S.C. § 1319(b); and 28 U.S.C. §§ 1331, 1345, 1355, and 1367. The Complaint states a claim upon which relief may be granted against the Dairy under Section 309 of the Clean Water Act, 33 U.S.C. § 1319, for injunctive relief and civil penalties. Defendant waives any and all objections that it may have to the Court's jurisdiction to enter and enforce this Decree. 21. The United States and the State of Nebraska reserve all legal and equitable remedies available to enforce the provisions of this Consent Decree, unless expressly stated in the Consent Decree. This Consent Decree shall not be construed to limit the rights of the United States or State of Nebraska to obtain penalties or injunctive relief under the Act or implementing regulations, or under other federal or state laws, regulations, or permit conditions, except with respect to claims that have been specifically resolved pursuant to Paragraph 19. The United States and State of Nebraska reserve all rights against Defendant with respect to criminal liability. 24. This Consent Decree does not limit or affect the rights of the Parties against any third parties, not party to this Consent Decree, nor does it limit the rights of third parties, not party to this Consent Decree, against the Dairy, except as otherwise provided by law or explicitly set forth herein.
